# Steen Sönnichsen becomes new Executive Board Member

*As announced, meat marketer Westfleisch is expanding its management team / strengthening of the Meat and Sales division / experienced industry expert gained*

**Münster.** Steen Sönnichsen (50) will become the new member of the Managing Executive Board at Westfleisch SCE. With the additional member, the cooperative is establishing a management structure, which will be commensurate with the size and market significance of the Group of companies.

With Sönnichsen, a proven expert has been engaged with more than 30 years of industry experience. Since 1999, he was the Managing Director of the German branch of Danish Crown.

In the new Executive Board structure, Carsten Schruck is responsible for the “Finance, Human Resources and Strategy” divisions. Johannes Steinhoff is responsible for “Processing and Engineering”. Steen Sönnichsen is taking over the management of the “Production, Sales Fresh Meat and Purchase” business fields.

Sönnichsen will prospectively start at Westfleisch on 1 December 2017.
